District 9

St. Luke's Church

701 Green Valley Rd. (Rte. 75)

New Windsor, MD

Regional Panels meet in Maryland every March to discuss Agenda Items for the General Service Conference to be held in New York the next month.

Area 29 (Maryland AA, except for Prince George's and most of Montgomery Counties) is divided geographically into six regional panels.

Each Regional Panel takes two of the twelve topics of agenda items and reports their findings back to the delegate at the Mini-Conference in mid-April. This year's topics for Panel 4 are Corrections (March 4) and Report & Charter (March 25).

This helps the delegate better prepare for the General Service Conference, and it enables groups and individual members to have input into the Conference process.

All AA members are welcome and encouraged to attend and participate!  
You do not need to be a GSR to take part!
