

MMRSS Sponsor Guidelines

April 2017

- Smoking and Electronic cigarettes are not permitted on the property
- Exit grounds before 9 pm as the clients have an evening meeting at 9
- Meeting starts at 7:30 pm. Please allow enough time to sign the clipboard hanging above desk and the sheet attached to the folder in the meeting room
- Good idea to bring a Big Book and 12x 12
- Speakers should call the sponsor if they can't make it ahead of time. Sponsors, if possible, step up and hold the meeting in their absence. If not, let the facility know that no one is coming and there will not be a meeting. Let the MMRSS liaison know that speakers were absent.
- No announcements
- Basket is not passed
- We are representing AA and these are AA meetings, so excessive drug references are discouraged; it is perfectly fine to let the clients know that drugs are part of your story for identification purposes
- Recovery and the Steps should be emphasized
- Discuss the importance of Home groups, Sponsorship and invite the clients to your home group
- Remember to sign out

Thank you for your time and your service !!!
